WIPRO PAPER - 25 MAR 2006 – WARANGAL

Hello Friends...

I've attended recruitment process of WIPRO at Vaagdevi College Of engineering, Warangal.

I'm elated to say that I've been selected...

I'd like to share my experiences so that it would be of some use to you..

The Written test consisted of three sections

- 1) Verbal - 15 q's-Very easy, No need to go thru Barrons.
- 2) Analytical -15 q's- Easy too..Basics are enough.
- 3) Technical- 20 q's- on UNIX,CPP,OS,C,DBMS...

This was a bit tough for me as i was from EEE.

Remember, there is an individual cut-off in each section.

I made through the written and my Tech interview was at 7:00 pm..

The interviewer asked me questions on HTML,LINUX, Javascript,diff b/w windows and LINUX etc,, as I have placed them in my resume...For non-IT students a knowledge of ur subjects and C&DS is

enough....No need to worry...It's cool...I mentioned cricket as my hobby....He asked me solve an arithmetic

to find avg of scores of a batsman...I suggest u to put only that skill set in which u r perfect.....Don't

try to make ur skill set large enough just for the sake of resume..

After the Tech Interview, I received a compliment that i was good at computer knowledge.

Then the HR...It was at about 9:00 pm...It was asked only four q's...Tell me abt urself,What r ur strengths?Have u been in any association? DO u have any backlogs???....That's it....

I awaited the results which were anounced at abt. 10:45 pm...I was 2nd in the list..
